INFORMATION AND CONSENT TO THE PROCESSING OF PERSONAL DATA Pursuant to Art. 13, Legislative Decree No. 196/2003

We wish to inform you that Legislative Decree n. 196/03 provides for the protection of personal data and the implementation of minimum security measures for its protection during each phase of its use.

Albergo Moderno snc, as the owner of the processing of your personal data, informs you about its use and your rights. In Accordance with the abovementioned decree, this use will be based on principles of correctness, lawfulness, transparency and protection of your privacy.

Usage definition: Personal data processing means any operation or series of operations concerning the collection, recording, storing, organization, conservation,

consultation, processing, modification, selection, comparison, use, interconnection, blocking, communication, dissemination, deletion and destruction of data.

Purpose: The processing of personal and sensitive data provided is intended for the following purposes;

- **by law:** to fulfil the obligations established by law, by regulation, by community legislation and by provisions issued by Authorities authorised by the law or by competent Supervisory or Control bodies (in this case, your consent is not necessary as the processing of data is related to compliance with these obligations / provisions);

- **contractual / commercial** and, more generally, administrative-accounting: to fulfil obligations deriving from the contracts of which you are a part or to fulfil, before the conclusion of the contract, your specific requests, also by means of remote techniques, e.g. e-mail and telephone for information / booking request (in this case your explicit consent is not necessary since data processing is necessary to the management of the relationship or the execution of requests);

- **marketing:** to provide you with information (also by remote means such as, by way of example, postal correspondence, telephone calls, telefax, e-mail, SMS or MMS messages or other messages) on the Company's products, services or initiatives, as well as their promotion.

Processing methods: Your personal data will be processed using paper, electronic or automated means with a logic related to the aforementioned purposes and in such a way as to guarantee the security and confidentiality of the data. The Data may also be disclosed to individuals, companies or professional firms, independent data controllers, who provide assistance services e.g. accounting, legal, tax, administrative, corporate and / or personnel management, drafting of payroll. Furthermore, the Data may be communicated or shared with companies belonging to the group, including those based abroad and also in countries not belonging to the European Economic Area, if this is necessary for the pursuit of the contractual purposes for which they were collected, or is permitted or required by a law or regulation or is necessary in order to safeguard, enforce and / or defend the rights, assets or legitimate interests of Albergo Moderno snc.

Mandatory or optional nature of providing data: The provision of identification data includes information essential for contractual and/or commercial purposes. Other optional information is useful for marketing activities.

Consequence of an eventual refusal: Customer conferment of data is optional, as a rule, however subsequently revoking authorization to retain this identifying data creates an impossibility on the part of Albergo Moderno snc, to fulfil legal and contractual/commercial obligations, therefore the eventual refusal to supply them or to any subsequent use could cause the impossibility of the Company to maintain and continue the relationship.
